2019-09-26 Joanna Cannon 'One of the most beautiful books you will ever read' Kate Mosse In this powerful memoir, Joanna Cannon tells her story as a junior doctor in visceral, heart-

rending snapshots. We walk with her through the wards, facing extraordinary and daunting moments: from attending her first post-mortem, sitting with a patient through their final moments, to learning the power of a well- or badly chosen word. These moments, and the small sustaining acts of kindness and connection that punctuate hospital life, teach her that emotional care and mental health can be just as critical as restoring a heartbeat. In a profession where weakness remains a taboo, this moving, beautifully written book brings to life the vivid, human stories of doctors and patients - and shows us why we need to take better care of those who care for us.

2009-04-21 Maya Angelou Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin

Jim must survive mutinies and counter-mutinies, face hand-to-hand combat with drunken sailors, and outwit double-crossing thieves before the treasure can be his.
